ABOUT ME

I am a dedicated and enthusiastic MCA student with a strong interest in emerging technologies, software development, and problem-solving. With a solid foundation in computer science and programming, I am eager to apply my skills to real-world challenges and contribute to innovative tech solutions.

EDUCATION

Birla Global University

Master Of Computer Application | 2024-2026

U.N College ,Soro

Bachelor of Science | 2021-2024

WORK EXPERIENCE

Odisha Computer Applications Center (OCAC)   **30/06/2025 - 15/07/2025**

Python FullStack

Completed Python Full-Stack Web Development training, learning Python, Django, Bootstrap, NumPy, and Pandas. Built responsive web applications with CRUD operations and user authentication. Gained practical experience in full-stack development and improved problem-solving and coding skills through hands-on projects.

Uptoskills   **25/02/2025 - 25/04/2025**

Data Analyst

Completed internship at Uptoskills, gaining hands-on experience in Power BI and Excel. Learned data visualization, data mining, and reporting techniques. Worked on real-time datasets to extract insights, create dashboards, and support data-driven decision-making.

PROJECTS

- Created a college website with user authentication to provide URAT question paper access across departments using HTML,CSS,javascript and backend using django .
- Created a Stone paper scissor game using HTML,CSS and javascript.
- Created a calculator using HTML,CSS and Javascript.
- Created a amazon clone using HTML and CSS only.

SKILLS

- python programming
- Django
- numpy & pandas
- HTML,CSS & Javascript
- programming in c
- mysql
- powerBi
- Bootstrap

CERTIFICATIONS

- Creted a personal Chatboat in guidance of NextWave
- ReactNative App Development Webinar
